

JIM JEFFERIES ANNOUNCES NEW *OBLIVIOUS* 2020 TOUR

TICKETS ON SALE STARTING FRIDAY, NOVEMBER 15

Los Angeles, CA – **Jim Jefferies**, one of the top 5 touring comedians in the world, has announced his new *Oblivious* tour which will kick off in San Diego, CA on January 10, 2020 at the Balboa Theatre. A fan presale begins Wednesday, November 13 at 10am local for Jim's followers, and tickets go on sale to the general public beginning Friday, November 15 at 10am local.

Jim Jefferies is one of the most popular and respected comedians of his generation, entertaining audiences across the globe with his provocative, belief-challenging, and thought-provoking comedy. Jim was recently honored as Stand-Up Comedian of the Year at the Just for Laughs Festival this summer and has been touring the globe extensively over the past few years. The international leg of his 2019 *The Night Talker Tour* kicks off later this month in Budapest, Hungary and hits a dozen countries before the end of the year including the Netherlands, United Kingdom, Germany, Norway, Greece and Israel. His 2018 international *The Unusual Punishment Tour* received rave reviews.

Jim's eponymous Comedy Central series, *THE JIM JEFFERIES SHOW*, debuted its third and final season on March 19, 2019. As a strong voice in late night, the weekly series featured Jim traveling across the globe to tackle the top news stories and controversial issues of the day and was nominated for a WGA award. In addition to the series, Jim also continues to head up the weekly podcast series, 'The Jim Jefferies Show Podcast', co-hosted by Forrest Shaw. The podcast, from Comedy Central's Podcast Network, includes interviews and discussions with a variety of guests discussing current news and politics, as well as providing a more in-depth focus on the topics and opinions featured on the television series - with less filters. Jim has signed a first look deal with Comedy Central for content development in television and digital media. He is also working with NBC on a multi-camera pilot which he would star in from writer-producer Suzanne Martin, Sean Hayes and Todd Milliner's *Hazy Mills* and Universal TV.

In 2018, Jim starred in his third Netflix comedy special *JIM JEFFERIES: THIS IS ME NOW*. Performing at the Eventim Apollo in London, he unapologetically kept it real opening up the challenges of being a single father, as well as the weirdest gig he ever played. In 2017, he released his fifth major stand up special in seven years, *FREEDUMB*. The special was Jim's second to air on Netflix, and followed the huge success of the first, *JIM JEFFERIES: BARE*, in which he delivered a now iconic routine on guns and gun control in the United States. In addition, Jim created, wrote, produced, and starred in the critically acclaimed FX series *LEGIT*, which ran for two seasons and has since gained a cult following.
